Engineered Stone Quartz sourced from QRocks is renowned for:

- Cutting-Edge Italian Technology
- Premium Raw Materials for Superior Slabs
- In-House Raw Material Quality Control System
- Advanced Technology Distributor & Oven
- Fully Automatic Italian Water Treatment Plant
- MBD Calibration Line for Precision Thickness
- Advanced Auto Polishing Line
- Capacity to produce 400 slabs per day.

Our Granite and Marble are procured from Brazil and India, chosen based on popularity, market demand colors, variations, patterns, and durability. Our experts visit quarries to assess products and understand geological characteristics, ensuring suppliers can provide materials timely. Rigorous inspections occur during purchase, loading, and unloading at our Distribution center.

Our products are meticulously examined for:

- **Natural Beauty:** Showcasing unique veining, patterns, and color variations.
- **Durability:** Ensuring resistance to wear and tear in various applications.
- **Versatility:** Confirming suitability for kitchen counter-tops, bathroom vanities, flooring and decorative elements.
- **Property Value:** Enhancing property value for homeowners and business owners.
- **Ease of Maintenance:** Encouraging proper sealing for easy cleaning and maintenance.
- **Health and Hygiene:** Resistant to bacteria and allergens when sealed and maintained.
- **Luxurious Aesthetics:** Elevating overall space aesthetics for a sophisticated ambiance.
